

SPONSORSHIP OPPORTUNITIES

How can you use the Alts Summit 2024 to your advantage?

Our signature Alts Summit is held each spring and brings together more than 200 wealth advisors and broker dealers—who are using or have expressed interest in alternative investments—to interact with asset managers and service providers.

Build brand recognition as an event sponsor through opportunities that are both familiar and unique to our 2024 location, the Omni PGA Frisco Resort.

Alts Summit 2024 is the hub for all things alts, so we invite you to get involved and market the unique offerings and services your business provides.

All sponsorships include recognition on conference slides and in the event mobile app.
