Full-Cycle Event Details: American Realty Capital Healthcare Trust, Inc.

The Company was incorporated in 2010 and is advised by a limited partnership wholly owned by American Realty Capital. It is invested primarily in real estate serving the healthcare industry in the United States. It is focused predominantly on medical office buildings and seniors housing communities, with selective investments in hospitals, post-acute care facilities and other properties.

The REIT closed its initial offering of common stock on April 26, 2013, after raising gross proceeds of $1.8 billion, including proceeds from the DRIP. As of December 31, 2013, it owned 114 properties located in 27 states, comprised of 5.8 million rentable square feet. Subsequently the portfolio has grown to total 141 properties.

The Company announced its plans to list on the New York Stock Exchange (Ticker: HCT) on April 7, 2014. Its shares closed trading on that date at $10.55 per share.

The Company will make a concurrent tender offer to purchase shares, with a tender price of $11.00 per share. The maximum tender amount is expected to be $150 million. The tender will remain open for 20 business days and expire on May 2, 2014. The Company states that the tender will be accretive to its shareholders, FFO and NAV per share.
